Happy Easter!

I have a thing about chalk streams. Their eddies, shallow clarity, crisp cool waters and living habitats have been a spiritual place of home all my life. How do you relate to them? Can you afford not to take time and daydream into them?

For me, it's the quieter stretches of chalk stream that I love. Behind the bank and hedge where they turn out of sight. They keep flowing, they keep nourishing, they keep me. And within them is myriad life. Plants I should try to learn [but won't] and crawling, sliding and darting living things of all scales beyond any counting – these things are beloved. From that abundance of life under one tiny, shinny, gravel stone, to the abundance of life in that tiny blue dot the Earth is when viewed from space – God adores it and holds it.

Jesus offers us living water – I think that is like these gentle, clear streams that spring up in our Benefice and water and grace our villages here. Their gentle sound has resonated in these valleys for so long. And God has wandered along their banks for so long.

When I started as your Rector, your priest; the most important part of my installation service for me was the Cure of Souls. It is an agreement between me and the Bishop to care for all the souls that are in the Benefice. All. In aeroplanes above, in the animals of the hedgerow, in us. God's love is for everything.

For in Christ all the fullness of God was pleased to dwell, and through Christ, God was pleased to reconcile to himself all things, whether on earth or in heaven, by making peace through the blood of the cross. [Col 1: 19 – 20]

So, for me, there is a sacredness to all life in the benefice where I have the care of souls.

I'm here to serve that. Not to ask for creeds or belief. But simply to walk alongside, knowing Christ walks with us.

And the gentle music of these chalk streams has been accompanied by another gentle music of these valleys. This is the music and ministry of John Radford. For over thirty years his music is the prayers of the Benefice, the treasure of our hopes and praise, the care of our feelings and faith. His music is a continual prayer for countless thousands of souls who have prayed on their own, or been married here or baptised or committed to the love of God at the end of their lives. His service to the living presence of God among us is a jewel in our midst. Bless you John!

And bless you in your Easter. All things are beloved to God so, please let me know if you'd like a blessing on your home, family, beloved pets, motorcycles – I am here for you and your journeys.

Happy Easter!

Rev'd Angus Mayhew

KNOWLTON CIRCLE BENEFICE CHARITY OF THE MONTH APRIL / MAY - DOWNRIGHT PERFECT

Downright Perfect was established by a group of parents with children with Down's Syndrome in Dorset. It was registered as a charity in 2014 and continues to be run by volunteers with a shared passion for supporting children with Down's Syndrome and their families / carers.

Downright Perfect supports children with Down's Syndrome and their families by providing access to professional services and resources to support development and organising events. We are entirely volunteer run and wholly rely on the generosity of individuals, organisations and companies in our community to fund our activities.

Downright Perfect works to provide better access for children to early intervention therapies to support their early development. We also offer support in any way we can to expectant and new parents whilst they adjust to the news that their child has Down's Syndrome. We aim to provide opportunities for children to create friendships and for parents to share experiences and support each other.

Please donate cash in the baskets in our churches or online www.bit.ly/DQchofm Thank you.

The Church of St. Nicholas, Edmondsham. May 1st is traditionally known as May Day, when children dance around a Maypole, in celebration of Nature. Bluebells may be seen in Woodland, May Blossom in the Hedgerows and you may even hear a Cuckoo singing. William Shakespeare captures a moment, in his Sonnet, XVIII.... Shall I compare thee to a Summer's day Thou art more lovely and more temperate. Rough winds do shake the darling buds of May.... Of course, Nature is subject to change and we should do all that we can to preserve our precious Planet Earth. Remember No Mow May and let Wildflowers and Pollinators abound. Support our Farmers in their quest to keep Farms viable, for future generations.

Church Electoral Roll Revision: Being on your church electoral roll ensures you have a voice in decisions about the church. If you care about your community, and the work of your church within it, then being on the electoral roll ensures your voice is heard. It doesn't cost anything, you don't have to attend worship (though you would be very, very welcome!) and being on the Electoral Roll won't increase your church's parish share contribution. So if you care about your church, do sign up, and encourage friends and neighbours to do so too. Your church is the church for everyone in your community.

The electoral roll is revised each year but every six years a completely new roll is drawn up - and 2025 is the year! **Everyone has to complete a form; no names will be carried forward from the old Roll.** Parishes will be collecting names on the roll over the next month.

Please contact John Radford at Church Lodge admin@kcb.org.uk 01725 517650 The revision begins on Sunday April 27 and ends on Saturday, May 10. The Annual Parochial Church Meeting takes place in St Giles' Church on Sunday, May 25 at 11.15am.

More facts about joining the electoral roll can be found here. salisbury.anglican.org/howeare/governance/your-church-your-voice/
